

Summary: This tutorial will guide you through how to refresh your contact sources and current status messages in TricomVoIP

Navigate to Options tab by clicking the Cog labelled "Options"

Click "Refresh All"

TricomVoIP needs to be re started to complete the process and will prompt to Exit when the Refresh process is finished.

If further assistance is required please contact Support on 0800 874478, International callers +6498271975 or email support@tricomvoip.co.nz
